

# DO YOU KNOW WHERE TO TURN?

Financial, health and welfare support is just around the corner.

We can point you in the right direction  
at the Health and Welfare Hub

**Surrey County Council recognise that times are tough right now, with rising energy bills, changes to people's financial circumstances and many people feeling stressed and anxious. But please be assured there is help and support available in Surrey.**

Some people may have been struggling for some time, for others this may be a new experience, and they just don't know where to turn for help and advice.

Surrey County Council have an ambition in Surrey that No One Is Left Behind and that means helping those who need us most and improving quality of life for everyone.

So if you need financial, health or welfare support we can point you in the right direction for the right help, advice or support.
